# CUE SHEET

## New Holland Route - 19 miles

Suggested Start/Finish:

New Holland Community Memorial Park

### Comments from route creator, Dustin Dreyfuss:

Almost immediately after leaving town, you will find yourself surrounded by farmland and quiet country roads. About 7 miles into the trip you can see Mascot Roller Mills and Ressler Family Home, a beautiful historic grist mill complex. As you continue southward, you will ride you through downtown Intercourse in the heart of Amish Country. There are some decent hills on this route, most notably on Mentzer Rd. after passing your last ice cream opportunity...so eat at your own risk!

There are a number of opportunities along the way to stop at roadside stands, shops, and more. With miles of quaint country roads and bustling main streets, you'll certainly appreciate maintaining and preserving the open spaces and farming heritage of our beautiful region.

Mile	Description
0.0	Turn sharp right onto W Jackson St
0.8	Turn left onto S Custer Ave
1.1	Turn right onto Orlan Rd
1.8	Turn left onto Diller Ave
