

Support Preserved Farmowners!

Lancaster Farmland Trust's mission to preserve and steward farmland would not be possible without the farm families who passionately protect their land! Help support the longevity of these local farms - and local food - by visiting a preserved farm market or stand listed below!

Did you know Lancaster County farmers grow food that feeds America? Farmers make up less than 2% of the U.S. population, and each one produces food and fiber for 144 people. Lancaster County farmers feed 9 million people eggs, 10.6 million people milk, and more than 5 million people meat like pork, chicken, and beef across the nation each year.
