About Us

Lancaster Farmland Trust (LFT) is the top farmland preservation organization in the state and the nation. Since 1988, LFT has preserved **more than 600 farms** on over **37,000 acres** of rich, productive agricultural land. We know that farmland is the foundation of Lancaster County and that together we can save the Lancaster we all love.

VISION

Our farms, soil, water and roots are protected for all.

MISSION

Vigorously accelerate the permanent protection and stewardship of farmland.

Our Values

A lasting commitment to farmers and sustainable farms.

Land preservation for thriving communities and a resilient environment.

Meaningful engagement of Lancaster's broader community.

Enduring relationships built on trust.

Collaboration for collective action and impact.

Innovative thinking and continuous improvement.

Our Work

PRESERVATION

Lancaster County farms boast some of the richest, most productive, non-irrigated soils in the world. We help landowners protect local farmland from development so that we can all reap the benefits farmland has to offer.

CONSERVATION

Well-managed farms help restore streams, protect habitats, and improve soil health. We partner with farmers to implement conservation practices, making preserved farms key to tackling environmental challenges.

STEWARDSHIP

After a farm is preserved, LFT is a continued resource to preserved landowners. Each year, we visit our preserved farms to ensure that the farm is healthy and continually committed to land protection.

CONNECTION

Our mission thrives through the support of sponsors like you. Through events, fundraising, marketing, and partnerships, we amplify visibility and build meaningful connections with our community.

What's at Stake

58,720 jobs

or 17% of the local workforce in Lancaster County is created through agriculture

\$2.9 billion

is brought in by tourism that relies on the beauty and unique nature of Lancaster County's farmland

\$1.6 billion

is generated annually by agricultural sales from 4,680 farms located in Lancaster County

Each year, Lancaster loses more than 3,000 acres of farmland. That's eight acres today, eight acres tomorrow, and eight acres every day. If we don't take action now, we will lose this land—and much of what makes life in Lancaster County so special—forever.

How to Support Our Mission

EVENT SPONSORSHIPS

Support signature events as a sponsor, gaining recognition through event materials, signage, and promotions while directly engaging with our community.

MARKETING COLLABORATIONS

Co-branding and co-advertising opportunities to showcase your corporate commitment to farmland preservation alongside Lancaster Farmland Trust.

DIRECT SUPPORT

Simply make a generous financial contribution to help protect Lancaster County's precious farmland for future generations by participating in:

- One-time donations
- Monthly giving programs
- In-kind services/products
- Grant partnership

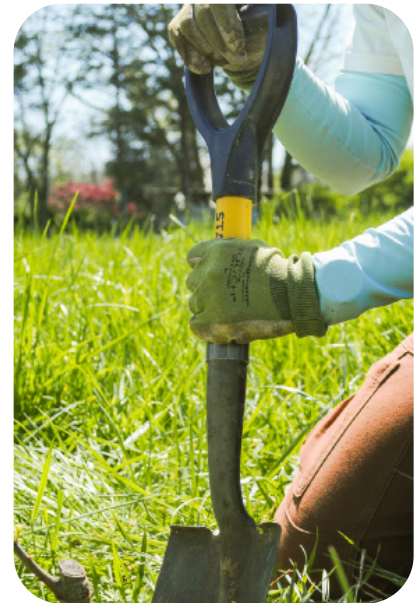

WORKPLACE ENGAGEMENT

Encourage employees to support Lancaster Farmland Trust and connect firsthand with our mission through initiatives like:

- Corporate volunteer days on preserved farms
- Employee matching gift programs
- Workplace giving campaigns
- Team-building farm activities

ANNUAL PARTNERSHIP

Partner with us year-round as an annual sponsor to support our programs and initiatives. With a contribution of \$5,000 or more, you'll earn exclusive benefits such as logo placement on our website, newsletters, and other materials.

Each partnership can be customized to match your goals and social responsibility initiatives. Contact us to discuss opportunities.

Partnership Benefits

ENHANCE YOUR BRAND

Gain visibility through logo placement on our website, e-news, social media, event materials, plus co-branded marketing opportunities.

ENGAGE WITH THE COMMUNITY

Be recognized as a key partner in protecting Lancaster's farmland, with opportunities to address or participate in events.

BUILD CONNECTIONS

Network with other sponsors, stakeholders, and community leaders, and enjoy recognition in press releases and donor materials.

EMPOWER YOUR TEAM

Offer employees team-building through volunteer opportunities on preserved farms, with your efforts highlighted in shared stories.

DEMONSTRATE SOCIAL RESPONSIBILITY

Showcase your commitment to sustainability and share how your sponsorship helps preserve Lancaster County's farmland for future generations.

SAVE THE LANCASTER YOU LOVE

Your support creates lasting impact, protecting farmland for generations to come.
